HIDEAWAY CREWED YACHT

The Sunseeker Manhattan 52 HIDEAWAY re-invents the idea of a small charter yacht. 'Hideaway' is the very first critically acclaimed and re-imagined Manhattan 52 anywhere in the world to be available for charter. Based in the stunning Croatian Port of Split, she's poised to explore the Dalmatian Islands and stunning coastline that this part of the Adriatic has to offer.

'Hideaway' accommodates up to six guests in three cabins, and comfortably enables up to 12 guests to charter for the day. An intelligent use of space and light makes 'Hideaway' feel much larger than she actually is with an exceptional amount of curved glass and disappearing saloon doors enables the aft deck to become part of the main living space- effortlessly bringing the outside in. You'll always find a place to relax- with various areas on board allocated to seating and relaxing. Whether it's the impressive Flybridge (the epicentre of any charter), or the astonishingly spacious bow and fore-deck seating/ sunbathing area.
